Ready to apply?

YES

NO

On the phone we will cover the information needed to raise an application for you.

We can often gather much of this online via your website, Companies House or other agencies.

We will arrange a date to get back in touch to proceed with your application.

If required, we can discuss and advise on what you need to do in order to successfully apply for the Social Enterprise Mark.

Application next steps

We will raise an application based on the information gathered and send you this to check for accuracy.

You will be asked to confirm your agreement of this, along with acceptance of the application declarations, the annual fee, and terms and conditions of the license.

STEP 5

Application Assessment and approval process

Your application will be reviewed by our Assessment Team.

In some cases it may be necessary to refer it to our independent [Certification Panel](#) – if so, we will inform you this is required and the reasons why.

For the majority of applications reaching this stage, it takes **1 – 4 days** to receive a provisional approval for the award of the Mark, but if referred to Panel it can take up to 4 weeks for a final decision to be made.

If successful, we will send a provisional approval email with an invoice for the annual fee. Once full payment is received, we will confirm your acceptance as a fully approved Social Enterprise Mark holder!
